

The 2010 Convention, *Storyline*, will be held at Wilfrid Laurier in Waterloo. The planning committee is very excited about this year. We are confident that the speakers, musicians, leaders, and conventioners will have a memorable time of fellowship, fun, and spiritual growth.

What the Convention Involves:

Worship: There are five celebrations during the weekend that involve music (Aaron Niequist), drama, and a speaker (Phil Cann).

Reach-In Seminars: These are opportunities for youth to attend specific seminars on many different topics that youth of today are facing.

Mini-Missions: There are opportunities to join teams that reach out into the community around the campus to show Christ's love through action.

Small Groups: After each worship celebration the youth meet in groups of 5-8 to discuss the message, and how it applies to their specific situations.

Networking with fellow Christians: This year we are hoping to break the 1000 conventioneer mark. The convention offers much time for social interaction to meet many different youth from all over Ontario.

Times of Relaxation and Enjoyment: There is time for sports, games and other leisure activities during the convention which provide more opportunities to get to know others around.

All Ontario Youth Convention

The All Ontario Youth Convention (AOYC) is an annual event that takes place on the Victoria day long weekend in May. It is hosted at different university campuses in Ontario each year. The AOYC is a non-profit charitable organization that falls under the umbrella of the Christian Reformed Church of North America (CRCNA).

Each year 700-800 youth and leaders from across Ontario come for the weekend. It is critical that Christians all around invest in the youth of Ontario, the future of Ontario. Your resources can be used to continue this great tradition that has faithfully been continued since the inception of the AOYC in 1975!

Sponsorship Opportunities

The AOYC relies on the support of the large community of God's people. Individuals, schools, churches, and businesses all can help in their own unique ways with the gifts and talents God has given.

Direct Donation

This donation will contribute to the reduction of fixed costs for the convention. Everything from the speakers and their travel, mailing out confirmation letters, the expenses of the sound and lighting crew, and much more, require payment. Your donations not only help make the convention possible but will also reduce the cost of convention to make it viable for many more youth.

Sponsor-A-Conventioneer

This is a new program that will be developed over the next year to subsidize or sponsor youth who would not otherwise have the opportunity to go to convention due to financial constraints.

Praying for the Convention

The weekend requires more than a year and the help of over 100 volunteers to coordinate. It would not be possible without the pray warriors that support the weekend in prayer. People who support in this way are kept updated via email to the prayer needs for convention.

Getting Involved

There are many opportunities to help out. We are always looking for help during the convention in the form of small group leaders, area dorm coordinators, security, and many more positions.
